INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana

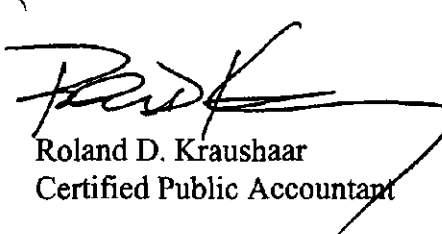

I have audited the accompanying general purpose financial statements of the Cajun Area Agency on Aging, Inc., for the year ended June 30, 2006, as listed in the foregoing table of contents. These general purpose financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these general purpose financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America; Government Auditing Standards, issued by the Comptroller General of the United States; and the provisions of the Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Cajun Area Agency on Aging, Inc., as of June 30, 2006, and the results of operations for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued a report dated December 1, 2006 on my consideration of Cajun Area Agency on Aging, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grants.

My audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organization", and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana
June 30, 2006

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity:

In 1974, Gubernatorial Executive Order No. 54 initially established area agencies on aging. Gubernatorial Executive Order No. 80-16 of 1989 authorized the Governor's Office of Elderly Affairs to designate planning and service areas to coincide with the geographic boundaries of the 64 parishes of the state, and to designate area agencies therein. An area agency must be an organization whose single purpose is to administer programs for older persons, or a multipurpose agency with the authority and capacity to administer human services in the planning and service area. If it is a multipurpose agency, the Area Agency on Aging, Inc. must designate all its authority and responsibility for carrying out the responsibilities listed below to a single organizational unit in the agency unless the agency receives a waiver of this requirement from the Governor's Office of Elderly Affairs.

The purpose and function of the Cajun Area Agency on Aging, Inc., is to develop a comprehensive and coordinated service delivery system for the elderly and serve as the advocate and focal point for older persons by entering into agreements with the Governor's Office of Elderly Affairs and with providers of supportive and nutrition services. "Comprehensive and coordinated system" refers to a program of interrelated supportive and nutrition services designed to meet the needs of older persons in each planning and service area. This system is to be developed by the Agency over a period of time. The Cajun Area Agency on Aging, Inc. performs these functions throughout an eight parish area of South Louisiana.

B. Presentation of Statements:

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In November of 1984,

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.

(Continued)

the GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments.

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have also incorporated any applicable requirements set forth by Audits of State and Local Governmental Units, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI - Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors; and, the Louisiana Governmental Audit Guide.

C. Fund Accounting:

The accounts of the Agency are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues, and expenditures, or expenses, as appropriate. Resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into two generic fund types and two broad fund categories (account groups).

The governmental funds and programs comprising them as presented in the financial statements are as follows:

General Fund - The General Fund is the general operating fund of the Agency. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived.

Special Revenue Funds - The Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments and major capital projects) that are legally restricted to expenditures for specified purposes.

The following are the funds which comprise the Agency's Special Revenue Funds:

Title III-C Area Agency Administration Fund

The Title III-C Area Agency Administration Fund is used to account for the administration of special programs for the aging.

Title III-B Ombudsman Fund

The Ombudsman Fund is used to account for funds used to provide people age 60 and older residing in long-term care facilities a representative to ensure that such residents' rights are upheld, to resolve complaints by residents with the management of the long-term care facility, and to promote quality care at the facility.

Title III C-1 Fund

Title III C-1 fund is used to account for funds which are used to provide nutritional, congregate meals to the elderly in strategically located centers.

Title III C-2 Fund

Title III C-2 fund is used to account for funds which are used to provide nutritional home delivered meals to home-bound older persons.

Title III-B Supportive Services Fund

The Title III-B Supportive Services Fund is used to account for funds which are to provide a variety of social services; such as information and assistance, access services, in-home services, community services, legal assistance, and outreach for people age 60 and older.

Provider Fund

The Provider Fund is used to account for additional meals provided that are not included in either the C-1 or C-2 programs.

Title III-E Caregiver Fund

The Title III-E Caregiver Fund is used to account for funds which are used to provide in-home services to frail, older individuals, including in-home supportive services for older individuals who are victims of Alzheimer's disease and related disorders with neurological and organic brain dysfunction, and to the families of such victims.

Project Care Fund

The Project Care Fund is used to account for the administration of a program that is sponsored by Gulf States Utilities. Gulf States Utilities collects contributions from service customers and remits these funds to the Agency. The Agency in turn "passes through" these funds to the individual councils on aging.

Audit Fund

The Audit Fund is used to account for funds received from the Governor's Office of Elderly Affairs that are restricted to use as a supplement to pay for the cost of having an annual audit of the Agency's financial statements.

NSIP Fund

The NSIP Fund is used to account for the administration of the Food Distribution Program funds provided by the United States Department of Agriculture through the Louisiana Governor's Office of Elderly Affairs which "passes through" the funds to the Agency. This program reimburses the service provider on a per unit basis for each congregate and home-delivered meal served to an eligible participant so that United States food and commodities may be purchased to supplement these programs.

Senior Rx Fund

The Senior Rx program helps link eligible seniors with assistance for obtaining their prescription medications.

NOTES TO FINANCIAL STATEMENTS

Resource Center Fund

The Resource Center provides one-stop access to all public programs for community and institutional long-term support.

Title III-D Preventive Health Fund

The Title III-D Fund is used to account for funds used for disease prevention and health promotion activities including (1) equipment and materials (scales to weigh people, educational materials, and exercise equipment), (2) home injury control, (3) medication management, (4) mental health, (5) nutrition (assessment/screening, counseling, and education). The law directs the state agency administering this program to "give priority to areas of the state which are medically under-served and in which there are a large number of older individuals who have the greatest economic and social need.

D. Account Groups:

An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources. The following account groups are not "funds".

General Fixed Assets

The fixed assets (capital outlays) used in governmental fund type operations of the Cajun Area Agency on Aging, Inc. are accounted for (capitalized) in the General Fixed Assets Account Group and are recorded as expenditures in the appropriate Governmental Fund type when purchased.

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.

June 30, 2006
(Continued)

General Long-Term Debt

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group. The General Long-Term Debt Account Group shows only the measurement of financial position and is not involved with measurement of results of operations.

E. Basis of Accounting:

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets.

Governmental funds are maintained on the modified accrual basis of accounting wherein revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable.

F. Transfers and Interfund Loans:

Advances between funds which are not expected to be repaid are accounted for as transfers. In those cases where repayment is expected, the advances are accounted for through the various due from and due to accounts. Short-term interfund loans are classified as interfund receivables or payables.

G. Budget Policy:

The Agency follows these procedures in establishing the budgetary data reflected in these financial statements.

1. The Governor's Office of Elderly Affairs (GOEA) notifies the Agency each year as to the funding levels for each program's grant award.
2. The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.
3. The Board of Directors reviews and adopts the budget before June 30 of the current year for the next year.
4. The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.
5. All budgetary appropriations lapse at the end of each fiscal year (June 30).
6. The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.
7. Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.
8. Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.
9. The Agency may transfer funds between line items as often as required but must obtain prior approval from the Governor's Office of Elderly Affairs for funds received under grants from this state agency.
10. Expenditures cannot legally exceed appropriations on an individual fund level.

H. Comparative Data:

Comparative data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the Agency's financial position and operations. However, presentation of comparative data by fund type have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read. Total columns on the combined financial statements are captioned "memorandum only" to indicate that they are presented only to help with financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

I. Fixed Assets, Including Property Leased Under Capital Leases:

Assets which cost at least \$ 1,000 and which have an estimated useful life of greater than one year are capitalized as fixed assets. All fixed assets are stated at historical cost, if actual historical cost is not available. Donated fixed assets are stated at their estimated fair market value on the date donated. No depreciation has been provided on general fixed assets.

All fixed assets are stated at historical cost. No depreciation has been provided on general fixed assets.

The Agency has classified its fixed assets as follows:

	Balance
	<u>6/30/06</u>
Furniture and Equipment	\$110,184
Building	<u>626,355</u>
Total	<u>\$736,539</u>

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana
June 30, 2006
(Continued)

J. Compensated Absences:

For governmental fund types, the Agency's liability for accumulated unpaid vacation has been recorded in the general long-term debt group of accounts. The liability has been determined using the number of vested vacation hours for each employee multiplied by the employee's current wage rate at the end of the year. An amount is added to this total for social security and Medicare taxes. Accrued vacation benefits will be paid from future years' resources and will be recorded as fund expenditures in the various governmental funds in the year in which they are paid or become due on demand to terminated employees. The Agency's sick leave policy does not provide for the vesting of sick leave where payment would have to be made to a terminated employee for any unused portion.

K. Related Party Transactions:

There were not any related party transactions during the fiscal year.

L. Restricted Assets:

Restricted assets represent assets which have been primarily acquired through donations whereby the donor has placed a restriction on how the donation can be used by the Agency (i.e., utility assistance funds). Restricted assets are offset by a corresponding reservation of the Agency's fund balance.

M. Reservation and Designations of Fund Balances:

The Agency "reserves" portions of its fund balance that are not available for expenditure because resources have already been expended (but not consumed), or a legal restriction has been placed on certain assets which make them only available to meet future obligations.

Designated allocations of fund balances result when the Agency's management intends to expend certain resources in a designated manner.

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana
June 30, 2006
(Continued)

N. Prepaid Expenses:

The Agency has elected not to expense amounts paid for future services until those services are consumed to comply with the cost reimbursement terms of its grant agreements. The fund balances in the governmental fund types have been reserved for any prepaid expenses recorded in these funds to reflect the amount of fund balance not currently available for expenditure. At year end, there were \$ 19,269 in prepaid expenses in the General Fund.

O. Management's Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2. REVENUE RECOGNITION - INTERGOVERNMENTAL, PROGRAM SERVICE FEES, PUBLIC SUPPORT, AND MISCELLANEOUS REVENUES

Intergovernmental

Intergovernmental revenues are recorded in governmental funds as revenues in the accounting period when they become susceptible to accrual, that is, measurable and available (modified accrual basis). Intergovernmental grants do not allow the Agency to recognize revenue under the grant award until actual costs are incurred or units of service are provided.

Program Service Fees

Program service fees are recognized when the Agency provides the service that entitles the Agency to charge the recipient for the services received.

Public Support and Miscellaneous Revenues

The Agency encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, C-2 and D programs. Utility assistance funds are provided from public donations via utility company programs. In addition, various fund raisers are held during the year to obtain funds to offset costs of general operations and senior activities. The timing and amounts of the receipts of public support and miscellaneous revenues are difficult to predict; therefore, they are not susceptible to accrual and are recorded as revenue in the period received.

NOTE 3. CASH IN BANK

At June 30, 2006, the carrying amount of the Agency's deposits was as follows:

Payroll	\$ 500
Operating - checking	646,848
Money market savings	<u>607,765</u>
 Cash on deposit in banks	 <u>\$1,255,213</u>

At June 30, 2006, the collected deposits held at the bank totaled \$1,406,746. Of that amount, \$1,155,213 is classified as credit risk Category 3. The bank has pledged additional collateral in the name of the Agency for the amount over the FDIC limit and these securities are held at the Federal Reserve Bank. However, it is the opinion of the Governmental Accounting Standards Board (GASB) that if the agreement between the Bank and the Agency is not in writing and approved by the Bank's Board of Directors, then the government may not be in compliance with the Financial Institution's Reform, Recovery and Enforcement Act of 1989 which discusses the depositor's rights to collateral. GASB states that the collateral described above should be classified as Category 3. This is the case with Cajun Area Agency. The following are descriptions of the three risk categories:

NOTES TO FINANCIAL STATEMENTS

- (1) Category 1 - Insured or collateralized with securities held by the entity or by its agent in the entity's name.
- (2) Category 2 - Collateralized with securities held by the pledging financial institution's trust department or agent in the entity's name.
- (3) Category 3 - Uncollateralized, including securities held by the pledging financial institution, or by its trust department or agent but not in the entity's name or those types of securities as described above.

NOTE 6. BOARD OF DIRECTORS' COMPENSATION

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member. However, board members are reimbursed for travel expenses incurred in accordance with the Agency's travel policies.

NOTE 7. INCOME TAX STATUS

The Agency, a non-profit corporation, is exempt from federal income taxes under Section 501 (c) (3) of the Internal Revenue Code.

NOTE 8. CHANGES IN LONG-TERM DEBT

The following is a summary of transactions relating to the Agency's long-term debt during the fiscal year.

	<u>Balance</u> <u>06/30/05</u>	<u>Additions</u>	<u>Deductions</u>	<u>Balance</u> <u>06/30/06</u>

NOTE 9. JUDGMENTS, CLAIMS, AND SIMILAR CONTINGENCIES

There is no litigation pending against the Agency at June 30, 2006. Furthermore, the Agency's management believes that any potential lawsuits would be adequately covered by insurance.

The Agency receives revenue from various Federal and State grant programs which are subject to final review and approval as to allowability of expenditures by the respective grantor agencies.

NOTES TO FINANCIAL STATEMENTS

Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana
June 30, 2006
(Continued)

Any settlements or expenses arising out of a final review are recognized in the period in which agreed upon by the grantor and the Agency. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Agency's financial position.

NOTE 10. FEDERALLY ASSISTED PROGRAMS

The Agency participates in a number of federally assisted programs. These programs are audited in accordance with the Single Audit Act Amendments of 1996. Audits of prior years have not resulted in any disallowed costs; however, grantor agencies may provide for further examinations. Based on prior experience, the Agency's management believes that further examinations would not result in any significant disallowed costs.

NOTE 11. ECONOMIC DEPENDENCY

The Agency receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Agency receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Agency will receive in the next fiscal year.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL
CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana

I have audited the general purpose financial statements of the Cajun Area Agency on Aging, Inc., as of and for the year ended June 30, 2006, and have issued my report thereon dated December 1, 2006. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

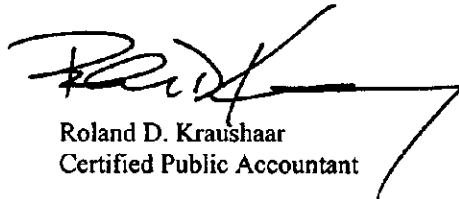

Compliance

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Agency's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH
REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL
CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors
Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana

I have audited the compliance of the Cajun Area Agency on Aging, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2006. The Agency's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulation, contracts and grants applicable to each of its major federal programs is the responsibility of the Agency's management. My responsibility is to express an opinion on the Cajun Area Agency on Aging, Inc.'s compliance based on my audit.

I conducted my audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and (OMB) Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Cajun Area Agency on Aging, Inc.'s compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination on the Cajun Area Agency on Aging, Inc.'s compliance with those requirements.

In my opinion, the Cajun Area Agency on Aging, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2006.

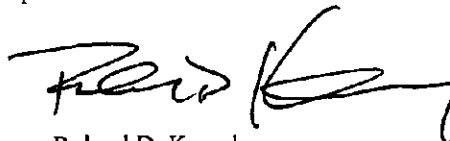

Internal Control Over Compliance

The management of the Cajun Area Agency on Aging, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing my audit, I considered the Agency's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

My consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their

assigned functions. I noted no matters involving the internal control over compliance and its operation that I consider to be material weaknesses.

This report is intended for the information of the audit committee, management and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

INDEPENDENT AUDITOR'S REPORT ON
SCHEDULE OF FEDERAL AWARDS

Board of Directors
Cajun Area Agency on Aging, Inc.
Lafayette, Louisiana

I have audited the general purpose financial statements of the Cajun Area Agency on Aging, Inc., as of and for the year ended June 30, 2006, and have issued my report thereon dated December 1, 2006. These general purpose financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these general purpose financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

My audit was conducted for the purpose of forming an opinion on the general purpose financial statements of the Cajun Area Agency on Aging, Inc., taken as a whole. The accompanying Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required part of the general purpose financial statements. The information in that schedule has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in my opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
