INDEPENDENT AUDITOR'S REPORT

To the Honorable Walter E. May, Jr., District Attorney
Second Judicial District
Jonesboro, Louisiana

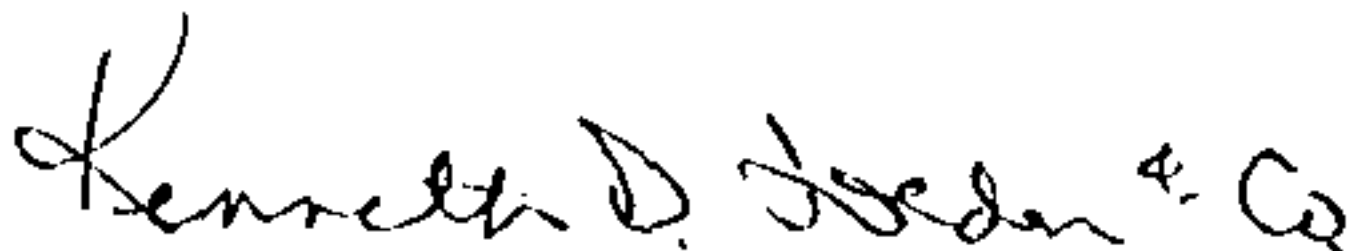

We have audited the accompanying general purpose financial statements of the District Attorney of the Second Judicial District, parishes of Bienville, Claiborne and Jackson, Louisiana, as of and for the year ended December 31, 2000, as listed in the table of contents. These general purpose financial statements are the responsibility of the District Attorney of the Second Judicial District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the District Attorney of the Second Judicial District of Louisiana as of December 31, 2000, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated June 29, 2001, on our consideration of the District Attorney of the Second Judicial District of Louisiana's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial information and schedules listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the District Attorney of the Second Judicial District. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and also is not a required part of the general purpose financial statements of the District Attorney of the Second Judicial District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

DISTRICT ATTORNEY OF THE SECOND JUDICIAL DISTRICT
Parishes of Bienville, Claiborne and Jackson, Louisiana
Notes to the Financial Statements
As of and for the Year Ended December 31, 2000

INTRODUCTION

The Second Judicial District is composed of the parishes of Bienville, Claiborne and Jackson located in northeast Louisiana. As provided by Article V, Section 26 of the Louisiana Constitution of 1974, the District Attorney has charge of criminal prosecution by the State in his district, is the representative of the State before the grand jury in his district, and is legal advisor to the grand jury. He performs other duties as provided by law. The District Attorney is elected by the qualified electors of the judicial district for a term of six years.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying general purpose financial statements of the District Attorney of the Second Judicial District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

Governmental Accounting Standards Board Statement No. 14 established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. The basic criterion for including a potential component unit within the reporting entity is financial accountability. For financial reporting purposes, in conformance with GASB Statement No. 14, the District Attorney of the Second Judicial District includes all funds, account groups, et cetera, that are within the oversight responsibility of the District Attorney. Oversight responsibility is determined on the basis of appointment of governing body, ability to significantly influence operations, accountability for fiscal matters, and the nature and significance of an organization's relationship with the primary government. Based on consideration of the foregoing criteria, the District Attorney is deemed to be a separate reporting entity. Certain units of local government over which the District Attorney exercises no oversight responsibility, such as the parish police jury, parish school board, other independently-elected officials, and municipalities within the parish, are excluded from the accompanying financial statements. These units of government are considered separate reporting entities and issue financial statements separate from those of the District Attorney.

C. FUND ACCOUNTING

The District Attorney uses funds and an account group to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds of the District Attorney are classified into two categories: governmental and fiduciary. The category for governmental funds is divided into two fund types and there is one fiduciary fund category. A description of these fund classifications and their fund types follows:

GOVERNMENTAL FUND TYPES

Governmental funds account for the District Attorney's general activities, including the collection and disbursement of specific or legally restricted monies, and the acquisition of general fixed assets. Governmental funds of the District Attorney include:

C. FUND ACCOUNTING (Continued)

General Fund

The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that 12 percent of the fines collected and bonds forfeited be transmitted to the District Attorney to defray the necessary expenditures of his office.

Special Revenue Funds

Title IV-D Special Revenue Fund

The Title IV-D Special Revenue Fund accounts for receipt and expenditure of reimbursement grants from the Louisiana Department of Social Services, authorized by Act 117 of 1975, to establish family and child support programs compatible with Title IV-D of the social security act. The purpose of the program is to enforce the support obligation owed by absent parents to their families and children, to locate absent parents, to establish paternity, and to obtain family and child support.

Worthless Check Collection Fee Special Revenue Fund

The Worthless Check Collection Fee Special Revenue Fund accounts for revenues derived from fees collected in accordance with Louisiana Revised Statute 16:15, which provides for a specific fee whenever the district attorney's office collects and processes a worthless check. Expenditures from this fund are at the sole discretion of the district attorney and may be used to defray the salaries and the expenses of the office of the district attorney but may not be used to supplement the salary of the district attorney.

FIDUCIARY FUND TYPE

Fiduciary funds account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the District Attorney. The fiduciary funds of the District Attorney are:

Agency Funds

Agency Funds account for assets held by the District Attorney on behalf of others as its agent. An Agency Fund is custodial in nature (assets equal liabilities) and does not involve measurement of results of operations.

Asset Seizure Fund

The Asset Seizure Agency Fund accounts for the seizure and forfeiture of assets obtained through judgements. The seized assets are liquidated and distributed according to court order.

Bond Proceeds Agency Fund

The Bond Proceeds Agency Fund accounts for the collection and settlement of judgements of bond forfeitures. The bond forfeitures are collected and settled in accordance with Louisiana Revised Statute 15:571.11.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases and decreases in net current assets. The modified accrual basis of accounting is used by the governmental funds. The governmental funds use the following practices in recording revenues and expenditures:

DISTRICT ATTORNEY OF THE SECOND JUDICIAL DISTRICT

Notes to the Financial Statements (Continued)

D. BASIS OF ACCOUNTING (Continued)

Revenues

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Governmental fund revenues are recognized when they become measurable and available as net current assets.

Commissions on fines are collected by the sheriffs' departments and remitted to the District Attorney. Therefore, amounts remitted during the current period and amounts collected by the government agency during the current period and received within 60 days by the District Attorney, are recognized as revenue. Substantially all other commissions are recognized as revenue in the period collected.

Federal grant revenues of the Title IV-D Special Revenue Fund consist of a partial reimbursement of expenditures reported to the Department of Social Services and remitted by the government agency. Therefore, amounts remitted during the current period, amounts based upon current period expenditures and collections received within 60 days by the District Attorney, are recognized as revenue.

General Fund grant revenues are recognized in the period for which the grant was issued if received in time to pay current year-end liabilities.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

Other Financing Sources (Uses)

Transfers between funds that are not expected to be repaid are accounted for as other financing sources (uses).

E. BUDGETS

Budgets are adopted on a basis consistent with generally accepted accounting principals (GAAP). Annually appropriated budgets are adopted for the general and special revenue funds. The District Attorney approves all budget changes or amendments. At year end, all appropriations lapse. Budgeted amounts shown in financial statements are as amended. The proposed budgets for the fiscal year ended December 31, 2000, were made available for public inspection on December 9, 1999. The proposed budgets were published in the official journal 11 days prior to the public hearing which was held on December 20, 1999. The budgets were amended on December 14, 2000.

F. ENCUMBRANCES

Encumbrances represent commitments related to unperformed contracts for goods and services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the District Attorney.

Notes to the Financial Statements (Continued)

G. CASH AND CASH EQUIVALENTS AND INVESTMENTS

Cash includes amounts in demand deposits, interest-bearing demand deposits, and money market accounts. Cash equivalents include amounts in short-term time deposits. Under state law, the District Attorney may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

Under state law, the District Attorney may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents. At December 31, 2000, the District Attorney had no investments.

H. FIXED ASSETS

Fixed assets are recorded as expenditures at the time purchased or constructed, and the related assets are capitalized (reported) in the general fixed assets account group. Public domain or infrastructures are not capitalized. No depreciation has been provided on general fixed assets. Ninety-nine per cent (99%) of the general fixed assets are valued at historical cost; one per cent (1%) of the asset values are estimated.

I. COMPENSATED ABSENCES

Employees earn from two weeks to five weeks of vacation leave annually, depending upon length of service; vacation leave does not accumulate. Employees earn twelve days of sick leave annually; six days of sick leave may be accumulated. The cost of current leave privileges, computed in accordance with GASB Codification Section C60, is recognized as a current-year expenditure in the General Fund when leave is actually taken. The amount of accumulated sick leave is immaterial to the financial statements and is not accrued.

J. TOTAL COLUMNS ON STATEMENTS

The total columns on the statements are captioned Memorandum Only to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

2. CASH AND CASH EQUIVALENTS

At December 31, 2000, the District Attorney has cash and cash equivalents (book balances) totaling \$322,479 as follows:

Demand deposits including interest-bearing	\$	300,551
Petty cash		200
Time deposits		<u>21,728</u>
Total	\$	<u><u>322,479</u></u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the related bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 2000, the District Attorney has \$353,162 in deposits (collected bank balances). These deposits are maintained in seven financial institutions and are secured from risk by \$349,283 of federal deposit insurance and \$109,389 of pledged assets.

Plan Description. The district attorney and assistant district attorneys are members of the Louisiana District Attorneys Retirement System (System), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

Assistant district attorneys who earn, as a minimum, the amount paid by the state for assistant district attorneys and are under the age of 60 at the time of original employment and all district attorneys are required to participate in the System. For members who joined the System before July 1, 1990, and who elected not to be covered by the new provision, the following applies: Any member with 23 or more years of creditable service regardless of age may retire with a 3 percent benefit reduction for each year below age 55, provided that no reduction is applied if the member has 30 or more years of service. Any member with at least 18 years of service may retire at age 55 with a 3 percent benefit reduction for each year below age 60. In addition, any member with at least 10 years of service may retire at age 60 with a 3 percent benefit reduction for each year retiring below the age of 62. The retirement benefit is equal to 3 percent of the member's average final compensation multiplied by the number of years of his membership service, not to exceed 100 percent of his average final compensation.

For members who joined the System after July 1, 1990, or who elected to be covered by the new provisions the following applies: Members are eligible to receive normal retirement benefits if they are age 60 and have 10 years of service credit, are age 55 and have 24 years of service credit, or have 30 years of service credit regardless of age. The normal retirement benefit is equal to 3.5 percent of the member's final-average compensation multiplied by years of membership service. A member is eligible for early retirement if he is age 55 and has 18 years of service credit. The early retirement benefit is equal to the normal retirement benefit reduced 3 percent for each year the member retires in advance of normal retirement age. Benefits may not exceed 100 percent of average final compensation. The System also provides death and disability benefits. Benefits are established or amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana District Attorneys Retirement System, 2109 Decatur Street, New Orleans, Louisiana 70116-2091, or by calling (225) 947-5551.

5. PENSION PLAN (Continued)

Funding Policy. Plan members are required by state statute to contribute 7.0 percent of their annual covered salary and the district attorney is required to contribute at an actuarially determined rate. For 2000, the district attorney was not required to make any contributions. Contributions to the System also include .2 percent of the ad valorem taxes collected throughout the state and revenue sharing funds as appropriated by the legislature. The contribution requirements of plan members and the district attorney are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The district attorney's contributions to the System for the years ending December 31, 2000, 1999, and 1998, were \$0, \$0, and \$680, respectively, equal to the required contributions for each year.

PAROCHIAL EMPLOYEES RETIREMENT SYSTEM (PERS)

Plan Description. Substantially all employees of the District Attorney, Second Judicial District are members of the Parochial Employees Retirement System of Louisiana (System), a multiple-employer (cost-sharing), public employee retirement system (PERS), controlled and administered by a separate board of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. All employees of the district are members of Plan A.

All permanent employees working at least 28 hours per week who are paid wholly or in part by the District Attorney of the Second Judicial District are eligible to participate in the System. Under Plan A, employees who retire at or after age 60 with at least 10 years of creditable service, at or after age 55 with at least 25 years of creditable service, or at any age with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 3 per cent of their final-average salary for each year of creditable service. However, for those employees who were members of the supplemental plan only before January 1, 1980, the benefit is equal to one per cent of final average salary plus \$24 for each year of supplemental-plan-only service earned before January 1, 1980.

Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Parochial Employees' Retirement System, Post Office Box 14619, Baton Rouge, Louisiana 70898-4619, or by calling (225) 928-1361.

Funding Policy. Under Plan A, members are required by state statute to contribute 9.5 percent of their annual covered salary and the District Attorney of the Second Judicial District is required to contribute at an actuarially determined rate. The current rate is 7.75 percent of annual covered payroll. Contributions to the System also include one-fourth of one percent (except Orleans and East Baton Rouge Parishes) of the taxes shown to be collectible by the tax rolls of each parish. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the District Attorney of the Second Judicial District are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation for the prior fiscal year. The District Attorney of the Second Judicial District's contributions to the System under Plan A for the years ending December 31, 2000, 1999, and 1998, were \$22,862, \$19,190, and \$19,597, respectively, equal to the required contributions for each year.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Walter E. May, Jr., District Attorney
Second Judicial District
Jonesboro, Louisiana

We have audited the general purpose financial statements of the District Attorney of the Second Judicial District of Louisiana, as of and for the year ended December 31, 2000, and have issued our report thereon dated June 29, 2001. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the District Attorney of the Second Judicial District of Louisiana's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance that is required to be reported under Government Auditing Standards which is described in the accompanying schedule of findings and questioned costs.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District Attorney of the Second Judicial District of Louisiana's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Legislative Auditor of the State of Louisiana, the management of the Second Judicial District Attorney and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Honorable Walter E. May, Jr., District Attorney
Second Judicial District
Jonesboro, Louisiana

Compliance

We have audited the compliance of the District Attorney of the Second Judicial District with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended December 31, 2000. The District Attorney of the Second Judicial District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the District Attorney of the Second Judicial District's management. Our responsibility is to express an opinion on the District Attorney of the Second Judicial District's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District Attorney of the Second Judicial District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the District Attorney of the Second Judicial District's compliance with those requirements.

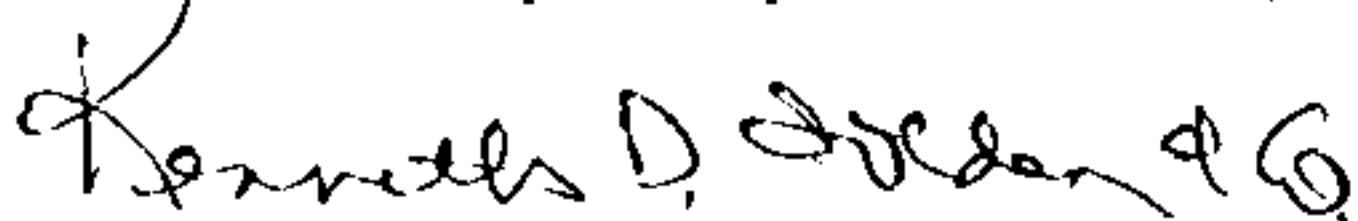

In our opinion, the District Attorney of the Second Judicial District complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2000.

Internal Control Over Compliance

The management of the District Attorney of the Second Judicial District is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the District Attorney of the Second Judicial District's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Legislative Auditor of the State of Louisiana, the management of the Second Judicial District Attorney and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties. However, this report is a matter of public record and its distribution is not limited.

**To the Honorable Walter E. May, Jr., District Attorney

In planning and performing our audit of the general purpose financial statements of the District Attorney of the Second Judicial District, as of and for the year ended December 31, 2000, and to obtain reasonable assurance about whether the financial statements are free of material misstatement, we considered the following:

- 1. The internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure; and,**
- 2. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the District Attorney of the Second Judicial District's compliance with certain provisions of laws, regulations and contracts. The objective of our audit was not to provide an opinion on overall compliance with such provision. Accordingly, we did not express such an opinion.**

During our prior audit for the year ending December 31, 1999, we became aware of certain matters involving immaterial noncompliance with laws and matters disclosed in the audit report, as of and for the year ended December 31, 1999, that were opportunities for strengthening internal controls and compliance requirements. The memorandum that accompanies this letter summarizes our comments regarding those matters. (We previously reported on the District Attorney of the Second Judicial District's compliance with laws in our report dated June 29, 2001.) This letter does not affect our report dated June 29, 2001, on the financial statements of the District Attorney of the Second Judicial District.

Sincerely,
