* I found no such expenditures.

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

* Management provided me with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

* Management provided me with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

* None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Accounting and Reporting
8. Randomly select 6 disbursements made during the period under examination and:
   (a) trace payments to supporting documentation as to proper amount and payee;

* I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

* All of the payments were properly coded to the correct fund and general ledger account.

(c) determine whether payments received approval from proper authorities.

* Inspection of documentation supporting each of the six selected disbursements indicated approvals from the clerk and the chairman of the Board of Commissioners.

Meetings
9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

* The District meets on the third Monday of each month.

Debt
10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of banks loans, bonds, or like indebtedness.

* I inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses
11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

* A reading of the minutes of the district for the year indicated no approval for the payments noted. I also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.
I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I did not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of LaSalle Waterworks District No. 1 and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. The notes to the financial statements are an integral part of this statement.
1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

LaSalle Waterworks District No. 1 was created by the LaSalle Parish Police Jury, as authorized by Louisiana Revised Statute 33:4562. The Waterworks District is administered by a board of five commissioners who are appointed by the LaSalle Parish Police Jury. The district owns and operates water facilities and engages in activities designed to provide water to the Goodpine, Trout and Midway Communities.

For financial reporting purposes, the district is a component unit of the LaSalle Parish Police Jury, the governing body of the parish. The accompanying financial statements present financial information only on the funds and account groups maintained by LaSalle Waterworks District No. 1 and do not present information on the Police Jury and the general government services provided by that governmental unit or any of its other component units.

A. FUND ACCOUNTING

LaSalle Waterworks District No. 1 is organized and operated on a fund basis whereby a separate set of self-balancing accounts (Enterprise Fund) is maintained that comprises its assets, liabilities, fund equity, revenues and expenses.

B. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement focus applied.

The Waterworks District's records are maintained on a cash basis of accounting. However, the fund reported in the accompanying financial statements has been converted to an accrual basis of accounting utilizing the following practices in recording revenues and expenses:

Revenues

Operating income (water sales) is recorded when billed.

Interest income on investments is recorded when the investments have matured and the income is available.

Substantially all other revenues are recorded when received.

The District collects from its customers a "Fire Protection Fee" and remits part of the same to the Jena Fire Department. The customers are under no obligation to pay the fee, nor is the district under any obligation to remit the same to the fire department.

Expenses

Expenses are generally recognized under the accrual basis of accounting when the related liability is incurred.
1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONT.)**

   **Fixed Asset Depreciation**

   All fixed assets are reported at cost and depreciation of all exhaustible fixed assets used by the proprietary fund is charged as an expense against its operations. Depreciation is reported over the useful lives of the assets using the straight-line method. The estimated useful lives follows:

<table>
<thead>
<tr>
<th>Asset Type</th>
<th>Useful Life</th>
</tr>
</thead>
<tbody>
<tr>
<td>Water System</td>
<td>50 Years</td>
</tr>
<tr>
<td>Miscellaneous Equipment</td>
<td>8 Years</td>
</tr>
</tbody>
</table>

   **C. USE OF ESTIMATES**

   The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

   **D. BUDGETS AND BUDGETARY ACCOUNTING**

   The only fund the District uses is a proprietary fund, therefore, there is no budget prepared.

   **E. ENCUMBRANCES**

   The District does not utilize encumbrance accounting.

   **F. CASH AND INVESTMENTS**

   **Deposits**

   It is the District’s policy for deposits to be 100% secured by collateral at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation insurance. The District’s deposits are categorized to give an indication of the level of risk assumed by the District at year end. The categories are described as follows:

   - **Category 1** – Insured or collateralized with securities held by the District or by its agent in the District’s name.
   - **Category 2** – Collateralized with securities held by the pledging financial institution’s trust department or agent in the District’s name.
   - **Category 3** – Uncollateralized.
