INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

Board of Directors
River Road African American Museum and Gallery
Donaldsonville, Louisiana

We have compiled the accompanying statement of assets and net assets - modified cash basis of **RIVER ROAD AFRICAN AMERICAN MUSEUM AND GALLERY** (a nonprofit organization) as of June 30, 2006, and the related statement of revenues, expenses and net assets - modified cash basis for the year then ended, in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

River Road African American Museum & Gallery (Museum) is a non-profit corporation within the meaning of Section 501(c)(3) of the Internal Revenue Code. The purpose of the Museum is to collect and preserve art, artifacts and buildings for the purpose of promoting education about African American history and culture in the United States and Louisiana.

Basis of accounting

The Museum prepares its financial statements on the modified cash basis of accounting but includes depreciation of capitalized assets. Under this basis, revenues are recognized when received rather than when earned, and expenses are recognized when cash is disbursed rather than when the obligation is incurred.

The Museum reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Museum does not have any temporarily restricted or permanently restricted net assets.

The statement of activities presents expenses of the Museum's operations functionally between program service, administrative and fundraising.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect reported amounts and related disclosures of the financial statements. Actual results could differ from those estimates. Estimates are used primarily when accounting for depreciation in these financial statements.

Revenue

The Museum is primarily funded by contributions and grant proceeds from governmental sources. Since the Museum derives a significant portion of its revenues from governmental sources (74%), the loss of such funding would have a material adverse affect on the organization. Supplementary funding is provided by fundraising activities.

The Museum primarily receives support from contributors that are in Ascension Parish.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

The Museum considers cash in bank accounts as cash. The Museum has no cash equivalents at June 30, 2006. The Museum typically maintains cash at a local bank that may, at times, exceed the FDIC limits. Management believes the risk is limited. As of June 30, 2006, there were no uninsured balances.

Equipment and depreciation

Equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated service lives of the assets.

Fair value financial instruments

The carrying value of cash and payables approximate fair value due to the short-term maturity of these instruments.

Advertising

The Museum incurred \$4,425 in advertising costs during the year ended June 30, 2006. The Museum expenses advertising costs as incurred.

Volunteer services

A substantial number of unpaid volunteers have made a significant contribution of service to develop the Museum's programs, principally in fund raising activities, educational projects, operations, and board participation. The value of these services is not reflected in these statements since there is no objective basis for measurement or valuation.

Income tax status

The Museum qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code.

NOTE 2 - PROPERTY

A summary of property, related service lives, and accumulated depreciation at June 30, 2006 is as follows:

<u>Equipment</u>	<u>Estimated Service Life</u>	
Land	-	\$ 25,635
Buildings	-	60,801
Construction in progress	-	25,598
Furniture and equipment	5 years	4,210
Research library	5 years	<u>731</u>
		116,975
Less accumulated depreciation		<u>(5,519)</u>
Property, net of accumulated depreciation		<u>\$ 111,456</u>

Depreciation expense was \$376 for the year ended June 30, 2006. The buildings owned by the Museum have not been placed in service and are currently idle property. As such, no depreciation has been recorded on this property. The building that houses the museum is being leased. See Note 4.

NOTE 3 - DEBT

The Museum has a line of credit lending arrangement with its bank for \$20,000 of which the entire balance was unused but available at June 30, 2006.

NOTE 4 - LEASES

The Museum leases a building for museum space under a 25 year tenant/landlord lease with the City of Donaldsonville. The lease is for \$1 per year through 2028. Additionally, the Museum also leases land from the City where a historic building owned by the Museum is maintained. The lease is for \$1 per year through 2023.
